

ICESA Campus Consortium

Sexual Violence Prevention and Response

Inspirational Leadership Webinar Series

- ◇ Do you have a colleague who constantly motivates and inspires other people?
- ◇ Does your supervisor create an ideal workplace for you to thrive and do great work?
- ◇ Is your boss supportive, inspiring, and empowering?
- ◇ Does your colleague quietly work behind the scenes to ensure the success of your organization?

We all have colleagues and supervisors who dedicate their time and energy to serving survivors, holding perpetrators accountable, and changing culture norms to prevent sexual violence. However, even though our colleagues inspire us and motivate us to keep working toward a better future, they often quietly work behind the scenes, with little recognition.

The ICESA Campus Consortium wants to recognize and applaud the efforts of Indiana's leaders in the fight against sexual violence! Twice a year, the Campus Consortium will feature a special webinar highlighting the efforts, careers, and leadership philosophies of amazing people in Indiana who work on sexual violence prevention and response.

We are seeking nominations for Indiana's inspirational leaders in the following categories:

- ◇ Advocacy Groups and Crisis Centers
- ◇ Counseling Centers
- ◇ Healthcare
- ◇ Law Enforcement and Prosecution
- ◇ State-Level Agencies
- ◇ Students
- ◇ University Administration

Nominate your colleague,
supervisor, or student leader!
